Sir:

INFORMATION DISCLOSURE STATEMENT

In accordance with the applicant's duty of disclosure expressed in 37 C.F.R. § 1.56, the Examiner's attention is directed to the accompanying form PTO-1449.

The listed documents may be relevant to examination of the application. Inclusion of the document is not an admission that the document is prior art with respect to the invention of the application and is not to be construed as an admission that anything in the document renders any claim of the application unpatentable.

Applicants assert that the claimed invention is patentable over the documents listed on PTO-1449.

Consideration of the documents, and the return of an initialed copy of the duplicate copy of the enclosed forms PTO-1449 to indicate such consideration, are respectfully requested.

Respectfully submitted,

Thomas D. Hoffman
